A note from Finance:

If you had an envelope number in 2009 that was under 200, then please check your 2010 envelope number! Most likely your number for the new year has changed in an effort to save costs on envelop boxes.

Also, please remember to SEPARATE your checks! If you are giving to different accounts, such as General Fund, Building Fund or any Missions, each must be written on separate checks because they go into different bank accounts. Thank you!
